Case No. 10-35032

Chapter 11

Kladek, Inc.,
d/b/a King of Diamonds

Debtor.

**NOTICE OF HEARING AND FIRST INTERIM APPLICATION FOR
ALLOWANCE AND PAYMENT OF PROFESSIONAL FEES OF
GRAY, PLANT, MOOTY, MOOTY & BENNETT, P.A., AS SPECIAL
COUNSEL FOR THE DEBTOR IN POSSESSION**

TO: The United States Trustee and other parties in interest specified in Local Rule 9013-3.

1. Gray, Plant, Mooty, Mooty & Bennett, P.A. ("Applicant"), as special counsel representing the debtor in possession, moves the Court for the relief requested below and gives notice of hearing.

2. The Court will hold a hearing on this Application at **10:00 a.m. on March 2, 2011**, before the Honorable Robert J. Kressel in Courtroom 8W at the United States Courthouse, 300 South Fourth Street, Minneapolis, MN 55415.

3. Any response to this Application must be filed and served not later than **February 25, 2011**, which is five days before the time set for the hearing (including Saturdays, Sundays, and holidays). **UNLESS A RESPONSE OPPOSING THE APPLICATION IS TIMELY FILED, THE COURT MAY GRANT THE APPLICATION WITHOUT A HEARING.**

4. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334, Fed. R. Bankr. P. 5005 and Local Rule 1070-1. This proceeding is a core proceeding. The

petition commencing this chapter 11 case was filed on July 9, 2010. This case is now pending in this Court.

5. This Application arises under 11 U.S.C. §§ 328(a), 330, and 331. This Application is filed under Fed. R. Bankr. P. 2016 and Local Rule 2016-1. Applicant requests allowance of compensation for professional services rendered to the debtor in possession.

6. By an Order entered September 30, 2010 [Docket No. 48] (the “Employment Order”), Applicant was authorized to represent the debtor in possession as (a) special counsel representing the debtor in possession with respect to claims asserted against the debtor in the *Dantzsch, et al. v. Kladek, Inc. d/b/a King of Diamonds Gentlemen’s Club, Lawrence Kladek, and Susan Kladek* litigation pending in Dakota County Court, State of Minnesota, Court File No. 19HACV-09-5179; and (b) to represent the debtor in possession in any proceedings in this Court related to the *Dantzsch* lawsuit as may be requested by the debtor in possession’s bankruptcy counsel. A copy of the Employment Order is attached to this Application as Exhibit A. This is Applicant’s first interim fee application. Pursuant to the Instructions for Filing a Chapter 11 Case, paragraph 9(c), Applicant has made request for payment of 80% of professional fees and 100% of expenses incurred in its representation of the debtor in possession, on a monthly basis. Said payments to Applicant are current for services rendered through November 30, 2010.

7. By an Order entered December 8, 2010 [Docket No. 85], this Court ordered the United States Trustee to appoint a trustee in this case. By another Order entered December 8, 2010 [Docket No. 88], this Court approved the United States Trustee’s appointment of Nauri J. Manty as the trustee in this case (the “Trustee”).

RELIEF REQUESTED

8. By this Application, Applicant requests the allowance and payment of all professional fees in the amount of \$96,029.00 and expenses in the amount of \$318.54 for services rendered from September 1, 2010, through December 7, 2010, (the “Application Period”) to the debtor in possession.

9. The legal services rendered by Applicant during the Application Period are detailed on the invoices attached at Exhibit B. During the Application Period, as approved in the Court’s Order entered September 30, 2010, [Docket No. 48], Applicant charged the debtor in possession its customary hourly attorney rates for work performed through September 21, 2010, and, for work performed after September 21, 2010, Applicant charged adjusted rates of \$350 per hour for work performed by shareholder attorneys and \$300 per hour for work performed by associates. In some instances during the Application Period, Applicant voluntarily discounted its services beyond its adjusted \$350 hourly rate for shareholder time.

10. The total amount of professional fees reflected in Exhibit B for the Application Period is \$96,769.00, but Applicant seeks approval of a reduced amount of \$96,029.00 in fees, as well as \$318.54 in expenses, because Applicant has discovered inadvertent errors on two invoices included in Exhibit B that resulted in a \$740.00 overcharge to the debtor-in-possession. Specifically, there was a \$90 overcharge on Invoice No. 552004 for services performed in September 2010, because the Applicant inadvertently charged 11.05, rather than 9.6, hours at its customary shareholder rates for work performed prior to September 21, 2010 and 20.7 hours, rather than 22.1 hours, at the adjusted \$350 shareholder hourly rate for work performed after September 21, 2010. On Invoice No. 554961, Applicant inadvertently charged approximately 9 hours of Megan L. Anderson’s time and 1.75 hours of Judith Bevis Langevin’s at a higher rate

than the adjusted \$350 per hour shareholder rate, resulting in an inadvertent overcharge of \$650.00 for services performed in November 2010. The following recaps the original professional fees invoiced to the debtor in possession and the correct amount due for which Applicant seeks approval in this Application:

<u>Invoice No.</u>	<u>Original Invoice Amount of Fees</u>	<u>Corrected Invoice Amount of Fees</u>	<u>Decrease in Fees</u>
552004	\$13,459.00	\$13,369.00	\$90.00
554762	\$38,047.50	\$38,047.50	\$0.00
554961	\$41,955.00	\$41,305.00	\$650.00
558862	\$3,307.50	\$3,307.50	\$0.00
Totals:	\$96,769.00	\$96,029.00	\$740.00

11. The services performed by the Applicant during the Application Period and reflected in more detail on the attached Exhibit B include the tasks specifically described below.

**Corbin Dantzcher, et al. v. Kladek, Inc., et al.
(Applicant Matter No. 134136): \$96,029.00**

Services in this matter relate to representing the debtor in possession in the putative class action lawsuit, including conducting written and deposition discovery tasks, responding to a proposed Amended Complaint, responding to a motion regarding the case and trial schedule, conducting settlement negotiations, documenting a proposed settlement, documenting proposed settlement notices and claims forms, assisting the debtor in possession's bankruptcy counsel to incorporate the proposed settlement into a proposed plan of reorganization, and preparing a motion for preliminary approval of the settlement in the state court.

12. Applicant’s expenses in this case during the Application Period have a reasonable value of not less than **\$318.54**. A summary of all expenses is set forth below:

Total	\$318.54

13. All services for which compensation is requested by Applicant were performed for and on behalf of the debtor in possession and not on behalf of any other creditor or person.

14. The amount requested by this Application constitutes reasonable compensation for actual and necessary services rendered by Applicant based on the nature, the extent and the value of such services and the cost of comparable services other than in a case under Title 11.

15. Applicant has not entered into any agreement, express or implied, with any other party in interest, including the debtor, any creditor, receiver, trustee, or any representative of any of the foregoing, or with any attorney for any party in interest in this case for the purpose of fixing fees or other compensation to be paid to such party in interest in this case for services

rendered or expenses incurred from the assets of the estate in excess of the compensation allowed by law.

16. If the Court deems it necessary to take oral testimony at the hearing on this Application, Megan L. Anderson, a shareholder of Applicant, will testify in support of the Application.

WHEREFORE, Applicant respectfully requests that the Court enter its Order:

- A. Allowing compensation to Gray, Plant, Mooty, Mooty & Bennett, P.A., for professional fees in the amount of **\$96,029.00**, and allowing reimbursement of expenses in the amount of **\$318.54**, for a total of **\$96,347.54**;
- B. Authorizing the Trustee to pay Gray, Plant, Mooty, Mooty & Bennett, P.A., the fees and expenses allowed herein in excess of any amounts paid under the monthly payment procedure; and
- C. Granting such other relief as the Court deems just and equitable.
